Please make note of my Pro se ENTRY on the aforementioned matter, and I cite my appearance for any more information on those regards.

I was told by the Clerks I would need an Entry or there is a chance things will not be accepted so I wrote this Entry up quickly after writing a motion and preparing to submit that motion and or request and or demand. I cited to the Clerks my Appearance is my Entry, but then thought it is best to as they say “when in Rome, do as the Romans” or should I say when in Ross, and to make an Entry up to hopefully please the Hopefully Honorable Court. I cite my Appearance for all other needs, but if the Court has need of a better or more complete Entry please inform me as soon as possible and do not hesitate to do so, because I would surely correct it. However I wish the Court would accept all paperwork and allow me to later correct any small errors in format which maybe on this very ENTRY.
